

EXPERIMENT 6 – PAYROLL PROCESSING SYSTEM

Aim

To create a simple cloud software application for Payroll Processing using a Cloud Service Provider to demonstrate Software as a Service (SaaS).

Requirements

- Zoho Creator
- Web browser
- Internet connection

Procedure

1. Open Zoho Creator and create a new application.
2. Create an Employee Payroll form.
3. Add fields for Employee Name, Experience in Present Organization and Overall Experience.
4. Add salary fields for Basic Pay, HRA, DA, TA and CCA.
5. Add deduction fields for PF, IT and LOP.
6. Add Gross Pay and Net Pay fields.
7. Configure the form to calculate Gross Pay automatically using:

$$\text{Gross Pay} = \text{Basic Pay} + \text{HRA} + \text{DA} + \text{TA} + \text{CCA}$$

8. Configure the form to calculate Net Pay automatically using:

$$\text{Net Pay} = \text{Gross Pay} - \text{PF} - \text{IT} - \text{LOP}$$

9. Save the form and open the live application.
10. Enter sample employee and salary details.
11. Submit the payroll record and verify the calculated Gross Pay and Net Pay.

Sample Input

- Employee ID
- Employee Name: Arun Kumar
- Basic Pay: ₹50,000
- HRA: ₹6,000
- DA: ₹4,500
- TA: ₹2,000
- CCA: ₹1,500
- PF: ₹2,400
- IT: ₹1,000
- LOP: ₹500

Calculation

Gross Pay = 50,000 + 6,000 + 4,500 + 2,000 + 1,500

Gross Pay = ₹62,000

Net Pay = 62,000 – 2,400 – 1,000 – 500

Net Pay = ₹58,100

Implementation

Input:

The screenshot displays a web application interface for a 'Payroll Processing System'. The browser address bar shows the URL 'creatorapp.zoho.in/rakshitha/payroll-processing-system/#Report:All_Details'. The application has a dark sidebar with a menu containing 'Details', 'payroll details', and 'All Details'. The main content area, titled 'payroll details', contains a form with the following fields and values:

Field	Value
Employee ID	19212
Employee name	Rakshitha JD
Basic pay	50000
DA	4500
HRA	6000
CCA	1500
PF	2400
Income Tax	1000
LOP	500
Gross salary	62000
Net salary	58100

The bottom of the screen shows a Windows taskbar with the date '03-10-2026' and time '13:10'.

Output:

Payroll Processing System

Details

payroll details

LOP	500
Gross salary	62000
Net salary	58100

Add a comment

Result

Thus, a cloud-based Payroll Processing System was created successfully using Zoho Creator. Gross Pay and Net Pay were calculated automatically based on the salary and deduction details.
